SUBMISSION GUIDELINES:

Short explanatory remark about the show

- The art work should reflect a different arrangement of parts or elements or perspective to achieve a fresh or new way of looking at something. For example, the impressionists, the surrealists and the cubists achieved a new way of looking at reality. The focus of your work is broad - encompassing landscapes, still lifes, the human form; it can also involve machines, organisms, language, settings, politics or gender. You may reconfigure a piece by the use of a new medium; that is, a reconfiguration of a previous work achieved by applications of different materials such as fabric, ceramics, paper, etc.
- Entry open to the public. • One entry per person.
- Please submit entry prepared for hanging, including wire across the back (not saw tooth hangers or d-rings) or video/animation limited to 5 minutes.
- Size limited to 36" in any dimension or 30" x 40", excluding narrow frame.
- Please no repeat entries that have shown here within three years.
- The Plastic Club retains a 20% commission on sales.
- While we take the greatest possible care, the Plastic Club is not responsible for damage or loss.

Note: original artworks only (no giclee.)
